CO-OP EDITION

Agricultural Co-operative

Your grain, your store, your co-op.

For grain and produce co-operatives where a member is customer, supplier and shareholder at once. Delivery dockets into pools, advances and pool finalisation, the rural store on member account, shares, contra settlement and patronage rebates — with a member portal.

WHAT IT RUNS

- Members with one number across the store account and the grower account
- Delivery dockets by commodity and grade; receivals and pool summaries
- Advances on delivery and pool finalisation at season end
- Store sales on member account; share register and share transactions
- Contra settlement between what the co-op owes and what the member owes
- Patronage rebate runs

THE APPS

Staff system
for co-op manager, weighbridge, store, accounts
silo, store and office

Member portal
for members
their deliveries, pools and prices, store purchases, shares and account
