FLUID TRADORS

Trades Marketplace

> *Every trade, every suburb, one tap — free for tradors, customers and suppliers.*

A platform for free-lance tradespeople and the customers who need them. Customers post a job; nearby tradors quote in a minute; the job is done, reviewed and paid on completion; parts are ordered from suppliers in the app; and sponsors reach every trador's pocket.

- Jobs, quotes, site visits, invoices and card payment on completion
