SCEPTRE TRAINING

Training Academy & Learning Marketplace

> *Trainers earn. Students achieve. Institutions invest in talent.*

For training organisations, tutoring businesses and learning marketplaces. Trainers propose courses, students enrol and pay, lessons, quizzes, assignments and live sessions run inside the course, and sponsors fund scholarships and campaigns — all settled through one set of accounts.

WHAT IT RUNS

- Course catalogue with subjects and levels (including Cambridge O Level), enrolments and fees
- Modules, lessons, quizzes, assignments, live sessions, progress and certificates of completion
- Course circles and study groups that only enrolled students can see
- Trainer earnings and the platform's revenue share, automatically
- Scholarships, applications and sponsor advertising campaigns
- Parents and guardians link and consent for students under 18
