AN INVITATION · FLUIDERP PARTNER PROGRAMME 2026

Partner with FLUIDERP

> *Forty editions, one platform — and a share of every client you bring.*

Sceptre Tech & Science invites resellers, consultants, implementers and industry specialists to bring FLUIDERP to the organisations they know — schools, hospitals, mines, councils, insurers, churches and more. You bring the relationship; we deliver the system through FLUIDCLOUD; you earn a commission on the revenue, rising with every tier you reach.
